Judy St. John Coach of the Year

.....Who Will You Nominate ????

We know all of you choruses and quartets are already hard at work preparing for the Spring Regional competition and that includes working with the terrific coaches in our region. It's not too early to be preparing your nomination of that special coach for the Judy St. John Coach of the Year award!

Working with vocal and visual coaches helps us learn and achieve things we never thought we had in us. They hear and see all those things we can't see and hear ourselves. A good coach can help improve our vocal technique, make us better performers, make those chords ring and just simply pump us up!

One of the endeavors that the QC Club supports is the Judy St. John Coach of the Year Award, which recognizes someone from our area each year for their coaching contributions within Region Four. Past winners include Jean Barford, Betty Lou Coleman, Margret Fenske, Tom Gentil, Molly Huffman, Tawni Miller, Char Gurney and Michael Hayden.

These talented people have given of themselves and helped the members of Region Four be better than they thought they could be. And being a past winner does not mean they can't be nominated again!

It's time to start thinking about recognizing that special person that your chorus or quartet works with who you might want to nominate for next year's award. Ask any of the people who have won the award in the past and they will tell you it is a great honor to be recognized this way. For more information on how you can nominate your coach for the Coach of the Year, you can contact Jamie Ayers at JamieBari2@aol.com or 745 N Dorset Rd, Troy OH 45373

**The deadline for nominations is:
