Winter Warmup 2007 proves to be hot, hot, hot

Get ready to sing, sing, sing. Region 4 will be split into three large choruses for a weekend full of fun singing, fun education, fun camaraderie, and ...well, fun! Master Directors **Char Gurney**, **Debbie Hite**, **Molly Huffman**, and **Bev Miller** will lead the way, and Region 4 faculty will be spotlighted and lead us in physical warm-ups, and rhythm and vocal exercises. Applaud wildly at the *Catch a Rising Star* Contest, and then get ready to sing in your large chorus.

Did you know? Word of mouth is the most powerful marketing tool out there...and talk is free. How many times have we heard, "I never knew you were a Sweet Adeline?" We can't let that happen. Let's talk to people at work, at church, in stores, at the hairdressers, at school, in women's groups, at parties. Over 80% of members joined Sweet Adelines because they either saw a performance or knew someone who introduced them to the organization. So, when we are not performing, we need to be talking about Sweet Adelines! ~ Jane Hanson, Sweet Adelines International
